Section 2 - Membership Contribution Requirement (SAP-Aligned Policy)

2.1 Contribution in Lieu of Monetary Dues

In lieu of monetary dues, the River Ridge Booster Association (RRBA) uses a volunteer-based contribution model to support band program operations and to allow families to earn support for their participating student(s), in alignment with the Association's **Student Account Program (SAP) policy**.

Each household member (age 21 or older) is expected to contribute **four (4) volunteer hours per quarter**, for a total of **sixteen (16) volunteer hours per school year**, to remain in good standing. Volunteer hours must be submitted using the RRBA-approved volunteer tracking form or system, and they are reviewed and maintained by the Membership Director (or a Board-designated officer).

Volunteer service must directly support:

- The band program and its students;
- Association-sponsored activities, fundraising, or events;
- Administrative, logistical, or operational needs that benefit band students collectively.

2.2 Families with Multiple Enrolled Students

Recognizing the increased level of support associated with multiple participating students, the volunteer encouragement is adjusted as follows:

- **One enrolled student:** 16 total hours per school year
 - **Two or more enrolled students:** 24 total hours per school year

No household shall be required to contribute more than **twenty-four (24) volunteer hours** in a single school year.

2.3 Approved Summer Service

Members may fulfill part or all of their annual volunteer requirement through **Board-approved summer service activities**, including but not limited to:

- Support RRBA mission;
- Meet volunteer requirements, or approved waiver;

- Participate in approved activities benefiting band students;
- Comply with Association and district policies.
- Attend 5 out of 9 general membership meetings

Members in good standing retain voting rights, eligibility for leadership roles, and access to SAP-related benefits, subject to policy limits.

- Failure to meet volunteer requirements;
- Misconduct or policy violations;

Section 7 - Return of Property

All Association property must be returned within **five (5) business days of an event**.

Section 8 - Behavioral Review Meeting

Incident Reporting: Any incident involving misconduct, safety concerns, or violations of RRBA policies must be promptly reported in accordance with the Association’s Chain of Command and Volunteer/Chaperone policies.

Board Review and Action: Upon receiving a report, the Board may conduct an internal review, document its findings, and take corrective action as deemed appropriate, up to and including suspension or removal of privileges.

Law Enforcement Involvement: Incidents involving alleged criminal conduct, threats to student or participant safety, or mandatory reporting requirements shall be referred to law enforcement and/or appropriate authorities. The Board shall not interfere with any external investigation.

Independent Authority: Board action may proceed independently of any law enforcement or external investigation and is not contingent upon the outcome of such proceedings.

Section 9 - Policy Review and Modification

The Board may propose changes to this policy.

The RRBA Membership Policy shall be reviewed at least **once every three (3) years**, or sooner as needed by the Board to ensure continued alignment with the Association's mission, operational needs, and North Thurston Public Schools (NTPS) requirements.
